

BENEFITS OVERVIEW FOR CALIFORNIA EMPLOYEES

The Scripps Research Institute (TSRI) offers eligible employees a comprehensive benefits program. The program provides a medical plan, dental plan, and life insurance equal to two times annual salary. Employees who do not need TSRI benefits may waive benefits (except life insurance) and receive a waiver payment as taxable income in their paycheck. Employees commence benefit participation on their date of hire. Benefit coverage stops at the end of the month in which employment terminates. Coverage is available for dependents, including spouse, domestic partner, and/or children for a nominal extra cost.

MEDICAL INSURANCE

The chart below outlines the main provisions of the available medical plans. UMR administers the Comprehensive and Catastrophic Plans. WAIVER PAYMENT

The following monthly amounts will be added to your paycheck as taxable income if you choose to waive Medical and/or Dental coverage. Please note, when waiving medical coverage you will also be waiving coverage under the Prescription, Mental Health and Vision Plans.

Medical: \$290.26

Dental: \$18.56

All deductions for your benefit choices, except dependent life insurance, may be taken from your paycheck before taxes are deducted. Employees working with certain foreign visas or under certain tax treatments may not be eligible for pre-tax payroll deductions. Based on the present Social Security Administration provisions, a reduction in your Social Security benefits caused by your pre-tax benefit deductions will be minimal.

ADDITIONAL BENEFITS

HEALTH PLANS

Prescription Drug Plan

Employees and dependents covered by any of the medical plans may obtain generic prescriptions for \$10, formulary brand name prescriptions for \$25, or non-formulary brand name prescriptions for \$50. Mail order service is also available for all plans. Mail order service consists of a 90 day supply at \$20 for generic prescriptions, \$50 for formulary brand name prescriptions, or \$100 for non-formulary brand name prescriptions.

Vision Plan

Employees and dependents covered by any of the medical plans may participate in the vision plan, administered through Medical Eye Services (MES). By choosing a participating vision provider, an employee may receive an annual vision exam for a co-payment of \$10, one pair of standard lenses every 12 months, frames costing up to \$110 every 24 months or

contacts costing up to \$100 every 12 months. Benefits are reduced when a non-participating provider is used.

Counseling and Psychological Services

An onsite counseling or referral program is available to health insurance-eligible employees and their spouses, domestic partners, and family members who require assistance in dealing with personal or family problems.

Mental Health Program

Mental Health and substance abuse benefits are available when you enroll in the PPO, Catastrophic and HMO plan. The provider network and administrator is United Behavioral Health (UBH) for employees and dependents enrolled under the PPO and Catastrophic plans. Aetna Value Network HMO is the provider network and administrator for HMO participants.

FLEXIBLE SPENDING ACCOUNTS

Health Care Spending Account

Employees may set aside up to \$5,000 pre-tax, annually, for self-reimbursement of medical, dental, vision and prescription expenses that are not covered by health plans. In addition over-the-counter drugs and supplies will require a prescription.

Dependent Care Spending Account

Employees may set aside up to \$5,000 pre-tax, annually, to use for qualified dependent care expenses.

PAID TIME OFF

Holidays

There are twelve (12) paid holidays per year. Scientific Staff are not covered under this benefit.

Paid Personal Leave (PPL)

PPL is a bank of time that may be used for vacation, the first two days of an illness or injury, personal business, family illness or other personal time off desired by an employee. The amount of accrual depends on employment status, length of service, and the number of hours paid each pay period. In general, full time non-supervisory employees accrue 16 days of PPL for the first 4 years of employment. From 5 to 9 years, employees accrue 21 days per year; from year 10 and after employees accrue 26 days per year. Supervisors and managers accrue 16 days in the first year of employment, 21 days in years 2 to 4, and 26 days 5 years and after. Employees in grades 13 and above in a non-scientific position accrue PPL at the supervisory rate. Department heads accrue 28 days of PPL per year. Part time employees accrue PPL on a pro rata basis. The maximum number of hours that may be accrued is 288. PPL is not accrued for Faculty, Scientific Directors or Scientific Staff. Paid time is at the discretion of the investigator and department chairperson.

Extended Sick Leave (ESL)

ESL is accrued paid time that an employee can access after an absence from work of more than two normal workdays, due to their own, or a family member's illness or injury; i.e., the third and subsequent days may utilize ESL. Full-time employees accrue seven days of ESL per year; part time employees accrue on a pro rata basis. The maximum number of days that can be accrued is 60 (480 hours). Faculty, Scientific Directors, Scientific Staff and Administrative Department Heads are granted 39 days each year.

RETIREMENT PLANS

Tax Sheltered Annuity Plan (403(b))

A voluntary retirement savings program that allows employees to make pre-tax contributions to various investment funds. Additionally, Cash Balance Retirement plan participants who contribute to the Tax Sheltered Annuity (TSA) plan will receive a match of up to 50% on the first 6% of their TSA contributions into their TSA account. Employer matching contributions will begin on the first day of the pay period following one year of eligible service and vests after three years of eligible service.

Cash Balance Retirement Plan

A retirement plan for administrative, professional, technical and supervisory employees. On January 1 of each year TSRI contributes an amount equal to 5% (or \$2,000, whichever is greater) of an employee's previous year's salary to a Cash Balance Retirement Plan. Employees must be in an eligible classification, work a minimum of 500 hours per year and be employed on the date the contribution is made to receive a contribution. Contributions will start and be based on earnings as of the first day of the next pay period after completing one year of eligible service. The employee is fully vested after three years of eligible service.

Faculty and Management Retirement Plan

TSRI maintains a Money Purchase Retirement Plan, that vests after three years of service. Contributions will begin on the first day of the pay period following one year of eligible service and are made to Fidelity Investments. Employees may direct the contribution to a wide array of funds. TSRI contributes a percentage of an employee's base pay up to an IRS maximum allowable annual amount. Staff scientists, associate professors without tenure, assistant professors and department heads are eligible for 10% contributions. Associate professors with tenure and senior department heads are eligible for 15% contributions. Employees in grades 13 and above in a non-scientific position are eligible for 10% contribution rate.

EDUCATION

Tuition Reimbursement Plan

Up to \$2,500 per year is available to employees to continue their education. Courses must be relevant to the employee's professional development at TSRI or must be required of a degree program. This benefit is available after 90 days of employment.

Golden State ScholarShare College Savings Trust

A voluntary savings program designed to help California families meet the increasing costs of college higher educations. The program is managed by Fidelity Investments. This benefit is available to all employees paid by TSRI and regularly scheduled to work a minimum of 20 hours per week.

LIFE AND DISABILITY INSURANCE**Life Insurance, Group Term & AD&D**

Coverage options include two or three times annual salary to a maximum of \$1,000,000.

Business Travel Accident Insurance

The business travel insurance program provides coverage for death or dismemberment when traveling on official business for TSRI.
