- You require Substantial Supervision by another individual to protect you from threats to your health and safety due to Severe Cognitive impairment or Mental Illness.

- Bathing means washing oneself by sponge bath; or in either a tub or shower, including the task of getting into or out of the tub or shower.

Your Long Term Care (LTC) insurance plan is listed below.

**Elimination Period:** Your plan’s Elimination Period of 90 consecutive days is the amount of time you must wait before benefits become payable. This time period must be satisfied only once during the life of your plan.

**Newly Hired Employees** – once eligible for the plan, you will have 30 days to sign up for Guarantee Issue coverage. Please check with your employer for your effective date.

**All Active Employees & Newly Hired Employees** – who enroll after the Guarantee Issue enrollment period or choose benefits over the Guarantee Issue limits will be required to fill out a medical questionnaire.

**Medical Underwriting Effective Date** – The effective date for all those needing medical underwriting is the first of the month following approval into the plan.

Medical Underwriting means that you must answer all questions on a medical questionnaire. In some cases, an interview may also be necessary.

**Delayed Effective Date** – If you are absent from work because you are injured, sick, temporarily laid off or on a leave of absence, your coverage will not begin on your otherwise expected effective date.

**Medical Underwriting for Employees and Family:** (Completion of the Benefit Election Form is required for enrollment) As an Employee you are eligible for benefit amounts on a Guarantee Issue basis of up to and including $4,000 and a Facility Benefit Duration of 3 or 6 years. This does not require completion of the Long Term Care Insurance Application (medical questionnaire) if you apply during your initial eligibility period. The Long Term Care Insurance Application (medical questionnaire) is required if enrolling after your initial eligibility period or if you choose to buy $5,000, $6,000 or the Unlimited Duration coverage. Spouses, Domestic Partners and all Family Members must complete the Long Term Care Insurance Application (medical questionnaire). All Medical Questionnaires must accompany a signed Authorization to Request Medical Information Form #6720-03-CA located in the enrollment kit.

**Lifetime Maximum:** The Lifetime Maximum is the maximum benefit dollar amount Unum will pay over the life of your coverage. This dollar amount is based on the Facility Benefit Amount and Benefit Duration. For Example: If you choose $3,000 Facility Monthly Benefit Amount & 3 Year Duration, your Lifetime Maximum is calculated as follows, $3,000 per Month x 12 Months x 3 Years = $108,000 Lifetime Maximum.

**Insurance Age:** Insurance Age is used to determine the cost of your coverage. Insurance Age is your age on the plan effective date if you enroll for coverage prior to the plan effective date. If you enroll for coverage on or after the plan effective date, insurance age is your age on the date you sign the enrollment form.

**Questions:** Please call 1-800-227-4165 with questions regarding your Long Term Care Insurance.

IMPORTANT CAUTION ABOUT INFORMATION YOU PROVIDED

Caution: If you must complete an Application for Long Term Care Insurance, which includes evidence of insurability, the issuance of a long term care insurance certificate will be based on your response to the questions in your application. A copy of your Application for Long Term Care Insurance was retained by you when you applied. If your answers are incorrect or untrue, UNUM may have the right to deny benefits or rescind your coverage. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of your answers are incorrect, contact UNUM at this address: UNUM Life Insurance Company of America, 2211 Congress Street, Portland, Maine 04122.

1. This policy is a group policy of insurance which was issued in California.

2. PURPOSE OF OUTLINE OF COVERAGE. This outline of coverage provides a very brief description of the important features of the plan. You should compare this outline of coverage to outlines of coverage for other policies available to you.

This is not an insurance contract, but only a summary of coverage. Only the Policy contains governing contractual provisions. This means that the Policy sets forth in detail the rights and obligations of both you and us (UNUM Life Insurance Company of America). Therefore, if you purchase this coverage, or any other coverage, it is important that you READ YOUR POLICY CAREFULLY!

3. TERMS UNDER WHICH THE CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED.

- You have a 30 day right to examine the certificate. If, after examining the certificate, you are not satisfied for any reason, you may withdraw your enrollment in the plan by returning your certificate within 30 days of its delivery to you. The certificate, together with a written request for withdrawal must be sent to the Plan Administrator or UNUM. Upon receipt, your insurance will be deemed void from its effective date and any premium contributions paid will be returned.
- Premiums for additional, increased or terminated insurance may cause a pro-rata adjustment on the next premium due date.
4. **THIS IS NOT MEDICARE SUPPLEMENT COVERAGE.** If you are eligible for Medicare, review the Medicare Supplement Buyer’s Guide which is available from us. Neither UNUM nor our agents represent Medicare, the federal government or any state government.

5. **LONG TERM CARE COVERAGE.** Policies of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.

This policy provides coverage in the form of a fixed dollar indemnity benefit if you are disabled and you are receiving care while confined in a Nursing Facility, a Residential Care Facility or a Residential Care Facility for the Elderly. If you purchase Family Home Care or Home Care coverage, we will pay you a benefit if you elect to receive care other than in a Nursing Facility, a Residential Care Facility or Residential Care Facility for the Elderly. Coverage is subject to policy limitations, benefit maximums and elimination periods.

6. **BENEFITS PROVIDED BY THIS POLICY.**

You will be eligible for a benefit after:

a. you become Disabled; and  
b. you are receiving services in a Nursing Facility, a Residential Care Facility or Residential Care Facility for the Elderly.

A monthly benefit will become payable once:

a. you have satisfied your Elimination Period; and  
b. a Physician has certified that you are unable to perform (without Substantial Assistance from another individual) two or more ADLs for a period of at least 90 days, or that you require Substantial Supervision by another individual to protect you or others from threats to health or safety due to Severe Cognitive Impairment. You will be required to submit a Physician certification every 12 months.

The treatment and services you receive for your Disability must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.

**Facility Benefit**

We will pay you:

a. the Nursing Facility Benefit Amount if you receive care while confined in a Nursing Facility. Your confinement must be because you need either: (1) the Substantial Assistance of another person to perform 2 or more Activities of Daily Living (ADLs); or (2) Substantial Supervision because you suffer from Severe Cognitive Impairment, or  
b. the Residential Care Facility/Residential Care Facility for the Elderly Benefit Amount if you are Disabled and are receiving services in an Residential Care Facility or Residential Care Facility for the Elderly.

The Residential Care Facility/Residential Care Facility for the Elderly Benefit Amount will be the greater of:

1. 60% of the Nursing Facility Benefit Amount; or  
2. the Home Care/Family Home Benefit shown on the Policy Schedule if Home Care/Family Home Care is purchased.

The benefit paid is subject to the Maximum Benefit Amount. Benefits are not paid during the Elimination Period.
Home Care Benefit
We will pay you the Monthly Home Care Benefit Amount if you choose to receive care anywhere other than a Nursing Facility, a Residential Care Facility or a Residential Care Facility for the Elderly. The amount of your Monthly Home Care Benefit will be based on the number of days you receive Home Care Services each month.

"Home Care Services" mean services provided under a Plan of Care. This does not include care or services provided by family members. Home Care Services can be provided at any type of facility, such as an Adult Day Care Facility, or your home and include Adult Day Care, Home Health Care, Homemaker Services, Hospice Services, Personal Care and Respite Care.

Home Care Services do not include services performed by providers that are not licensed or certified, when such services require licensing or certification under the laws of the states where the services are provided.

Inflation Protection Provision - 5% Simple Inflation With No Cap
Your Monthly Benefit Amount will increase each year on January 1st by 5% of the original Monthly Benefit. Increases will be automatic and will occur regardless of your health and whether or not you are Disabled. Your premium will not increase due to automatic increases in your Monthly Benefit Amount.

The benefit paid is subject to the Lifetime Maximum Benefit Amount. Benefits are not paid during the Elimination Period.

IMPORTANT TERMS YOU SHOULD KNOW

"Activities of Daily Living" (ADLs) are:
- bathing - washing oneself by sponge bath; or in either a tub or shower, including the act of getting into or out of the tub or shower.
- dressing - putting on and taking off all items of clothing and any necessary braces, fasteners, or artificial limbs.
- toileting - getting to and from the toilet, getting on and off the toilet, and performing associated personal hygiene.
- transferring - the ability to move into and out of a bed, a chair, or wheelchair, or ability to walk or move around inside or outside the home, regardless of the use of a cane, crutches, or braces.
- continence - the ability to maintain control of bowel and bladder function; or, when unable to maintain control of bowel or bladder function, the ability to perform associated personal hygiene (including caring for catheter or colostomy bag).
- eating – feeding oneself by getting food in the body from a receptacle (such as a plate, cup or table) or by a feeding tube or intravenously.

“Disability and Disabled” mean:
- you are unable to perform, without Substantial Assistance from another individual, at least two Activities of Daily Living; or
- you require Substantial Supervision by another individual to protect you from threats to health and safety due to Severe Impairment of Cognitive Ability.

"Elimination Period" is the number of consecutive days, specific to your plan, during which you must be eligible for benefits before benefits become payable.
"Lifetime Maximum Benefit Amount" is the total dollar amount of benefits that will be paid under the policy. Your Lifetime Maximum Amount is based on the level of coverage and benefit duration you select.

"Respite Care" means care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities. If you are eligible for a home care benefit but benefits have not yet become payable, payments will be made to you for each day you receive Respite Care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your home care monthly benefit for each day that you receive Respite Care.

"Severe Cognitive Impairment" means a severe deterioration or loss, as reliably measured by clinical evidence and standardized tests, in your short or long term memory; your orientation as to person, place, and time; and your deductive or abstract reasoning.

Such deterioration or loss requires Substantial Supervision by another individual for the purpose of protecting yourself. Such loss can result from a Disability, Alzheimer’s disease, or similar form of dementia.

“Substantial Assistance” means stand-by assistance by another person without which you would not be able to safely and completely perform the ADL.

“Substantial Supervision” means the presence of another individual for the purpose of protecting you from harming yourself or others.

OPTIONAL BENEFITS AVAILABLE

Family Home Care Benefit
We will pay you the Monthly Family Home Care Benefit Amount if you choose to receive care anywhere other than a Nursing Facility, a Residential Care Facility or a Residential Care Facility for the Elderly.

"Family Home Care Services" means care or services provided by family members as well as services which include Adult Day Care Facility, or your home and include Adult Day Care, Home Health Care, Homemaker Services, Hospice Services, Personal Care and Respite Care.

7. LIMITATIONS AND EXCLUSIONS
UNUM will not make long term care payments to you for:

- a Disability which is caused by a war (whether declared or undeclared) or any act of war,
- a Disability which is caused by intentionally self-inflicted injuries or attempted suicide;
- a Disability caused by the commission of a crime for which you have been convicted under state or federal law or attempting to commit a crime under state or federal law;
- Disabilities or confinements during which you are outside the United States, its territories or possessions for longer than 30 days;
- a Disability caused by being intoxicated;
- a Disability caused by voluntary use of any controlled substance unless the controlled substance is prescribed for you by a Physician;
- a period in which you are confined in a hospital other than if you are confined in a Nursing Facility that is a distinctly separate part of a hospital (this exclusion does not apply to those periods covered under the Bed Reservation Benefit); or
• a Disability caused by psychological or psychiatric or mental conditions regardless of cause, which include:
  – depression,
  – generalized anxiety disorders,
  – personality disorders,
  – schizophrenia
  – manic depressive disorders,
  – adjustment disorders, or any other conditions that are usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs or similar methods of treatment.

However, UNUM will make payments to you for conditions that are not psychological, psychiatric or mental in nature, including Alzheimer's disease or similar forms of irreversible dementia.

Pre-Existing Conditions Exclusion
If you do not have to complete an Application for Long Term Care Insurance, which includes evidence of insurability, a pre-existing conditions exclusion may apply to you.

"Pre-Existing Condition" means any condition that exists for which you received medical treatment, consultation, care or services, including diagnostic measures for the condition, or took drugs or medicines that were prescribed for the condition, during the six month period right before your coverage began.

UNUM will not make any payments to you for a Disability that is caused by, contributed to by, or results from a pre-existing condition, and begins during the first six months after your coverage begins.

THIS POLICY MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.

8. RELATIONSHIP OF COST OF CARE AND BENEFITS. Because the costs of long term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted.

• COST
The premium rate paid for your coverage over the duration of your initial coverage or for any increases is based on your insurance age.

• ELECTION TO INCREASE COVERAGE
You can apply at any time to increase your coverage by filling out a new Benefit Election form and Application for Long Term Care Insurance, which includes evidence of insurability. If your application for an increase in coverage is approved, the premium for the increase in coverage will be based on your age at the time you applied for the increase.

• INFLATION PROTECTION
If your plan includes an Inflation Protection option, your Monthly Benefit will increase each year on the January 1st by 5%. Increases will be automatic and will occur regardless of your health and whether or not you are Disabled. Your premium will not increase due to the automatic increases in your Monthly Benefit.
The following chart is an example comparison of a monthly benefit with and without inflation protection.

9. TERMS UNDER WHICH THE GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED.

- **RENEWABILITY**
  THE POLICY IS GUARANTEED RENEWABLE. This means you have the right, subject to the terms of the policy, to continue this coverage as long as you pay your premiums on time. UNUM cannot change any of the terms of the policy on its own except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY.

- **WHEN COVERAGE WILL END**
  Your coverage will end on the earliest of these dates:
  - The date the Policy ends,
  - The date you are no longer an Active Employee with the Policyholder,
  - The date you no longer work for the Policyholder,
  - The end of the period for which premiums were last paid to UNUM for your coverage,
  - The date your total benefit payments equal your Lifetime Maximum Amount, or
  - The date you die.
If you are absent from work at the Policyholder for any reason, you will continue to be covered for group coverage if the Policyholder continues to pay premiums to UNUM.

- **CONVERTED COVERAGE**
  If your group long term care coverage ends for reasons other than your choice to have premium payments stopped for your coverage, you may elect converted coverage. This means that the same coverage you had under this plan can continue on a direct billed basis. If you are already direct billed, your coverage will automatically transfer to converted coverage.

  Election for converted coverage must be made within 31 days of the date the group coverage would otherwise end. Any premium that applies must be paid directly to UNUM by you for any converted coverage to be continued.

- **PREMIUM WAIVER**
  When benefits become payable, there will be no more cost for your coverage as long as you continue to be eligible for a monthly benefit.

  If your plan includes a Home Care Services Benefit and you do not receive these services for a period of 30 consecutive days, premium payments will again become due.

  Premiums are **not waived** while you are receiving a payment for Respite Care.

- **RIGHT TO CHANGE PREMIUMS**
  The rate will not increase because you grow older or because of your use of the benefits. However, the rate schedule may change in the future depending on the overall use of the benefits for all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies under this type of insurance.

10. **ALZHEIMER'S DISEASE AND OTHER ORGANIC BRAIN DISORDERS**
  This policy provides coverage for Severe Cognitive Impairment. Severe Cognitive Impairment is not related to the inability to perform ADLs. Rather, Severe Cognitive Impairment means that you have lost the ability to reason and suffer a decrease in awareness, intuition and memory.

  Examples of conditions which may cause Severe Cognitive Impairment are: Alzheimer's disease, multi-infarct dementia, brain injury, brain tumors, or other such structural alterations of the brain.

11. **PREMIUM**
  The initial premium charges will be figured at the premium rates as shown on the attached pages. UNUM may change the premium rates when the terms of the policy are change.

12. **ADDITIONAL FEATURES**
   - Medical underwriting may be required.
   - Eligibility and Participation
     You are eligible for the plan if you are:
     - an Active Employee of the Policyholder, spouse, domestic partner and your family members.

13. **INFORMATION AND COUNSELING**
  The California Department of Insurance has prepared a Consumer Guide to Long Term Care Insurance. This guide can be obtained by calling the Department of Insurance toll-free telephone number. This number is 1-800-434-0222. Additionally, the Health Insurance Counseling and Advocacy Program (HICAP) administered by the California Department of Aging, provides long term care insurance counseling to California senior citizens. NOTICE TO APPLICANT REGARDING REPLACEMENT
OF ACCIDENT AND SICKNESS, NURSING HOME OR LONG-TERM CARE INSURANCE

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to the information you have furnished, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with long-term care insurance coverage to be issued by Unum Life Insurance Company of America. Your new coverage provides thirty (30) days within which you may decide, without cost, whether you desire to keep the coverage. For your own information and protection, you should be aware of and seriously consider certain factors, which may affect the insurance protection available to you under the new coverage.

(1) Health conditions which you may presently have (preexisting conditions), may not be immediately or fully covered under the new coverage. This could result in denial or delay in payment of benefits under the new coverage, whereas a similar claim might have been payable under your present coverage.

(2) You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

(3) If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all the information has been properly recorded.

People buy long term care insurance for many reasons. Some don’t want to use their own assets to pay for long term care. Some buy insurance to make sure they can choose the type of care they get. Others don’t want their family to have to pay for care or don’t want to go on Medicaid. However, long term care insurance may be expensive, and may not be right for everyone.

By state law, the insurance company must fill out part of the information on this worksheet and ask you to fill out the rest to help you and the company decide if you should buy this long term care insurance coverage.

**Premium Information**

The premium for the coverage you are considering will be $________ per month, or $_____ per year.

A rate guide is available, that compares the policies sold by different insurers, the benefits provided in those policies, sample premiums, and the history of rate increases, if any, for those policies. You can obtain a copy of this rate guide by calling the Department of Insurance’s consumer toll-free number (1-800-927-HELP), by calling the Health Insurance Counseling and Advocacy Program (HICAP) toll-free number (1-800-434-0222) or by accessing the Department of Insurance’s Internet web site (www.insurance.ca.gov).

**Type of Policy** - guaranteed renewable.

**The Company’s Right to Increase Premiums**: The company has the right to increase premiums on this policy form in the future, provided it raises rates for all policies in the same class in this state.

**Rate Increase History**: Unum Life Insurance Company of America has sold long term care insurance since 1988; the B.LTC policy series has been sold since 1990, the GLTC95 policy series has been sold since 1998. The company has not raised its rates on these or similar policy forms in the last ten years.

# Things You Should Know Before You Buy Long-Term Care

## Long-Term Care Insurance
- A long-term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.

- You should not buy this insurance policy unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.

- The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

## Medicare
- Medicare does not pay for most of long-term care.

## Medicaid
- Medicaid will generally pay for long-term care if you have very little income and few assets. You probably should not buy this policy if you are now eligible for Medicaid.

- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long-term care services.

- When Medicaid pays your spouse’s nursing home bills, you are allowed to keep your house and furniture, a living allowance and some of your joint assets.

- Your choice of long-term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local and state Medicaid agency.

## Shopper’s Guide
- Make sure the insurance company or agent gives you a copy of a booklet called the “Guide to Long-Term Care”. Read it carefully. If you have decided to apply for long-term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

## Counseling
- Free counseling and additional information about long-term care insurance are available through your state’s insurance counseling program. Contact your state department on aging for more information about the senior health insurance counseling program in your state.

FOR MASSACHUSETTS RESIDENTS ONLY

Re: Long-Term Care Insurance Policies Issued in Massachusetts that are Intended to Qualify Insureds for Certain MassHealth Exemptions

The purpose of this notice is to describe the minimum coverage requirements needed to potentially qualify for exemptions from some MassHealth eligibility and recovery rules. Information about these coverage requirements is also available in the publication Your Options for the Financing of Long-Term Care: A Massachusetts Guide. The Commissioner of Insurance has instructed all long-term care insurance carriers to provide this notice to clarify the coverage requirements associated with MassHealth exemptions.

Buying long-term care insurance in Massachusetts that meets certain standards may qualify the insured for exemptions from some of the eligibility and recovery rules under the Massachusetts MassHealth (Medicaid) Program. It is important to note that MassHealth minimum coverage requirements are based upon benefits available as of the day the individual enters a nursing home, not what is available on the day the person buys a policy.

One of the existing requirements to qualify for MassHealth exemptions is that an individual's long-term care insurance must have benefits available to pay at least $125 per day for at least 730 days (2 years) of nursing home care as of the day the individual enters a nursing home.

Although a long-term care insurance policy may satisfy the MassHealth minimum coverage requirements at the time it is purchased, if the insured uses the policy to pay for non-nursing home benefits (e.g., home health care, personal care or assisted living benefits), the amount of benefits available to pay for nursing home care may be reduced. Depending upon the original maximum benefit and other benefits that may have been used, the policy may not meet the MassHealth minimum coverage requirements as of the day the individual enters a nursing home.

For example: a person purchased a policy with 730 days of nursing home and home health care coverage and, prior to entering the nursing home, used 100 days of coverage to pay for home health care services. On the day the individual enters the nursing home, the person would have 630 days of coverage left to pay for nursing home care. This is less than the minimum 730 days of nursing home coverage required for certain MassHealth exemptions.

It should also be noted that a long-term care policy with an inflation protection benefit may ultimately satisfy the MassHealth minimum coverage requirements, even if the policy failed to meet the MassHealth minimum coverage requirements on the day it was purchased. For example, a policy that initially had a $100 per day benefit with an annual inflation adjustment could potentially increase over time to meet the MassHealth minimum coverage requirements as of the day the person enters a nursing home.

Qualifying for insurance benefits is independent from qualifying for an exemption under MassHealth. For more information, contact your agent or read Your Options for Financing Long-Term Care: A Massachusetts Guide.

Please be aware that laws may change and the exemptions and the MassHealth minimum coverage requirements that exist today may not necessarily be the same in the future (or might not exist at all).
