

## TSRI Society of Fellows Course Reimbursement Program

for postdocs and graduate students

## PRE-APPROVED COURSE LIST

TSRI's Society of Fellows has funded a program to reimburse postdocs and graduate students for the cost of specified professional development courses and symposia (noted below). Scholars may be reimbursed up to \$250 per year. However, funding for this program is finite. If demand exceeds resources, applicants may only receive partial reimbursements for their courses.

For complete information on the forms and procedures relating to this program, see:
