

For Scripps Researchers

To register for an account:

1. **Login using your Scripps Research Institute credentials.**
2. Upon successful authentication, you will be prompted to select your PI/lab from the pull-down list and provide your phone number.
3. Submit the completed registration form. Submission will notify your PI of your lab membership request.
4. You will be sent an email with basic instructions on using the system at this time. However, you will not be able to place orders with your new account until your PI has approved your lab membership request.

To Create a Service Request:

Using your Scripps Research Institute credentials, you can place orders and schedule equipment time.

1. Navigate to the core page
2. In the upper, right hand corner of the page, **login using your Scripps Research Institute credentials.**
3. Click the *Request Services* tab and click on the *Initiate Request* button next to the service of interest. Work through the request.
4. You will be asked to complete a form and provide payment information for your request before submitting the request to the core.
5. Your request will be pending review by the core. The core will add charges and submit it back to you for approval. Make sure to watch for an email from iLab regarding your updated project.
