## Login Instructions

### Internal Users

Users with a Scripps Research login ID can use their credentials to log in and will be redirected to Infinity.

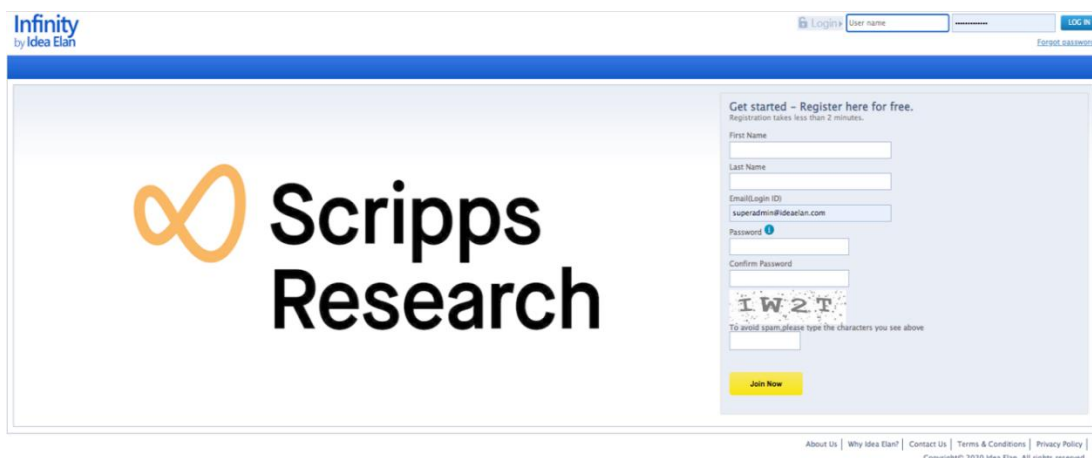

**Internal User Login URL:** <https://secure21.ideaelan.com/secure/public/applogin.aspx>

### External Users

External user will use the Infinity start page. Existing users can enter their information in the top right corner for username and password. New users will have to register below under: “Get started, register here for free.”

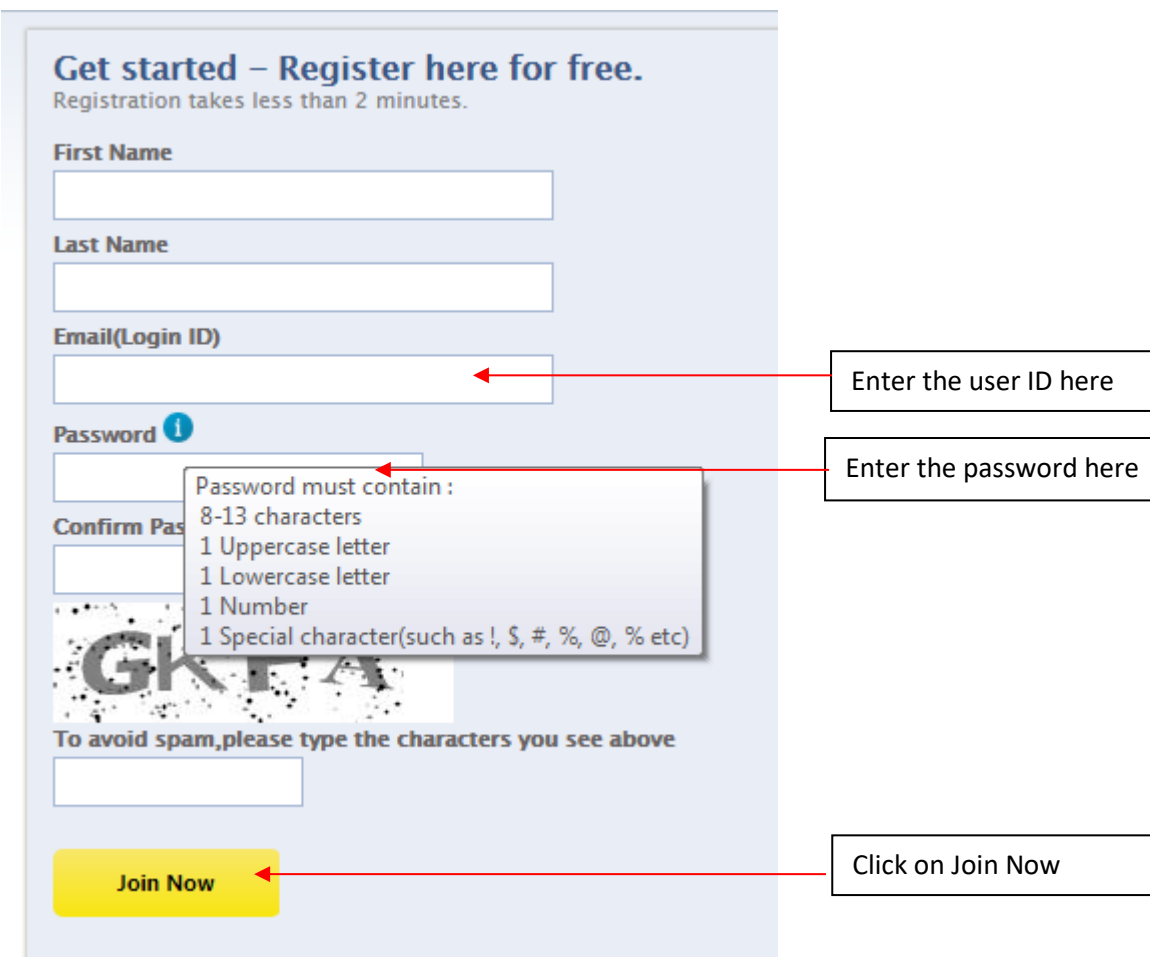

**External User Login URL:** <https://secure21.ideaelan.com/Scripps/Public/AppLogin.aspx>

## New User Sign-up (For external users only)

New External Users can register on the login page of the INFINITY link.

- Enter First Name, Last Name, Email ID, Password and click on Join Now Button.

The image shows a registration form titled "Get started – Register here for free." with the subtext "Registration takes less than 2 minutes." The form includes fields for First Name, Last Name, Email(Login ID), Password, and Confirm Password. A CAPTCHA image with the text "GKFA" is displayed. A yellow "Join Now" button is at the bottom. Red arrows point from text boxes to specific form elements: "Enter the user ID here" points to the Email(Login ID) field; "Enter the password here" points to the Password field; and "Click on Join Now" points to the Join Now button. A tooltip for the Password field lists requirements: 8-13 characters, 1 Uppercase letter, 1 Lowercase letter, 1 Number, and 1 Special character (such as !, \$, #, %, @, % etc).

**Get started – Register here for free.**  
Registration takes less than 2 minutes.

**First Name**

**Last Name**

**Email(Login ID)**

**Password** ⓘ

**Confirm Pas**

Password must contain :  
8-13 characters  
1 Uppercase letter  
1 Lowercase letter  
1 Number  
1 Special character(such as !, \$, #, %, @, % etc)

**GKFA**

To avoid spam, please type the characters you see above

**Join Now**

Enter the user ID here

Enter the password here

Click on Join Now

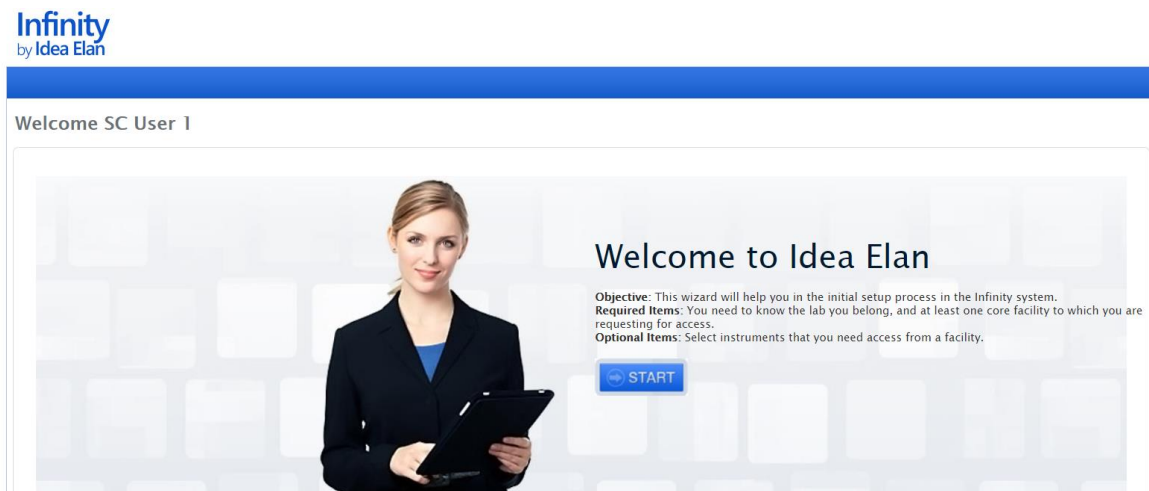

- After registering, a confirmation message will appear on the screen. Click the verification link sent to the email provided.

Registered successfully!! Click the verification link in the email sent to confirm your registration.

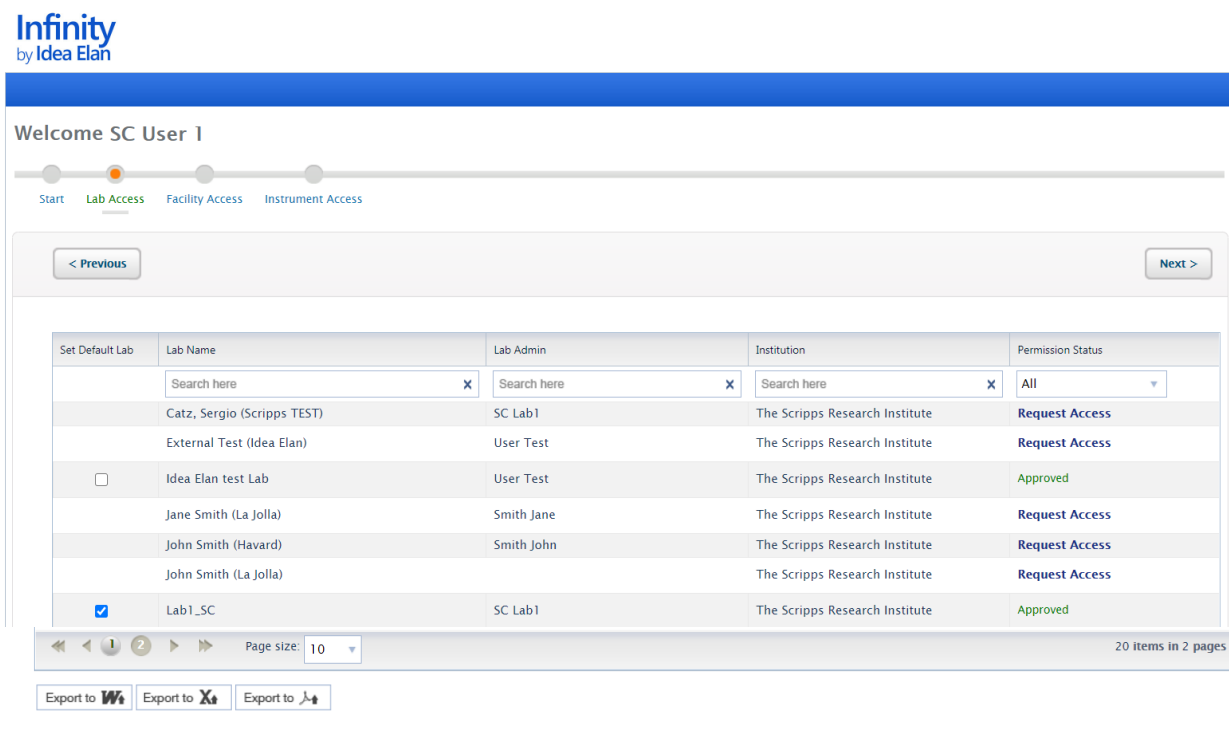

- Once the email is verified, the page will be redirected to a registration wizard.
- Click on the start button to go through the registration process.

## Registration Wizard:

All new users in Infinity need to complete the registration wizard and request access to labs, facilities and instruments.

- On the next page, select access to labs by clicking on “Request Access.”

**Note:** most access requests need manual approval from the PI, others may be automatically approved (based on lab settings)

- Now, select a default lab and click on “Next”.

UPDATE

live chat

- The new user registration process is now complete.

## The User:

- Once logged into INFINITY as a user, a toolbar with tabs will appear that are specific to your role.
- The “9 square box” tool provides the quick links to access facilities, contact Idea Elan, Facility admins, Help files etc.

## User Functions:

1. **Start page:** Click here you can make your current page as the start page.
2. **View a home page** that has specified favorite instruments and sample submissions/service requests, reservations, projects, reports, publications and user profile.
3. **Instruments:** view calendar with instruments/rooms in a facility and make reservations
4. **Request Services:** Submit sample forms/ service requests.
5. **Supplies:** Place orders for new supplies within the facility.
6. **Select the facility** from dropdown box for which you want to access the details, such as instruments, sample submission etc.
7. **My Items List:** with quick links to homepage icons, my favorite instruments, favorite requests, etc.

## My Home Page:

1. **My Favorite Instruments:** Displays instruments set as favorite with a calendar to aid in making quick reservations.
2. **My Favorite Requests:** Displays all sample submission forms and service requests set as favorite by the user.
3. **My Reservations:** To view the instrument reservations made by the user.
4. **My Requests:** To view sample submissions or service requests made by the user.
5. **My Supplies:** To view submitted supply orders.
6. **My Projects:** To create and view all the projects assigned.
7. **My Reports:** Generate reports based on usage across various facilities, instruments, and sample submissions.
8. **My Profile:** Displays the profile of the user; labs and facilities affiliations of the user.
9. **My Dashboard:** Displays the number of samples submitted, and the number of instruments reservations made (graphical representation).
10. **My Publications:** PubMed publications made by the user.
11. **My Agenda:** User can save the tasks to be performed in a day, week, or month with priority.

## Publications:

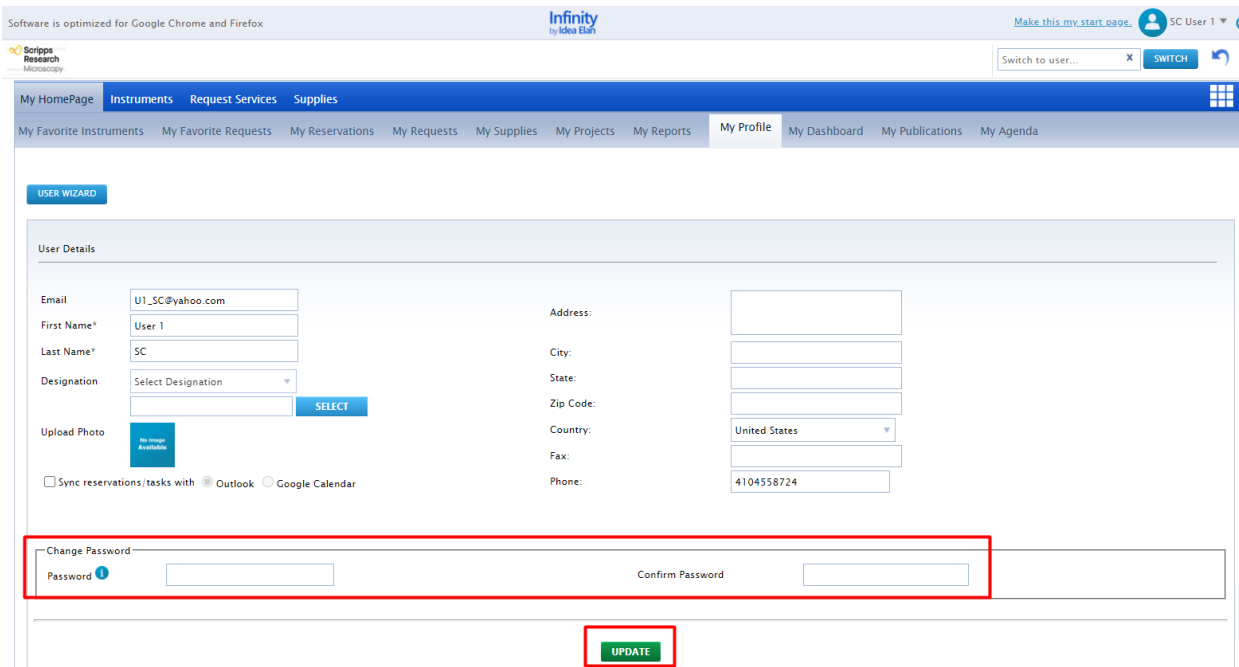

Users can keep track of their publications using Idea Elan. The feature allows for users to sort through and view their previous works. Also, facility admins have the ability to request that users' publications be present under their facility to accreditate the core. Users have the option to select yes or no.

## AUT Password

If your facility is using an Actual Usage Tracker to record the login and logoff time on the instrument, you will need to set your password.

- You can set or change your password under 'My Profile'

## How to start the Actual Usage Tracker (AUT)

- AUT will be in full screen mode on the instruments computer. Users have to enter their full email and password.

- Users have the option to select a scheduled appointment or begin an unscheduled session.

- After choosing the selection, click confirm start usage. Click OK and the AUT will start running.

- Once the reservation has come to an end, click Logout to stop AUT. You will be prompted to confirm Logout.

- Click Yes to end the session.

## Request Services

### How to fill out and submit a request form

- Sample submission/service request forms are provided for each facility under the “Request Services” tab. Forms can be favorited for quicker access.
- All the Help files uploaded by the admin while creating the sample submission form can be seen beside the favorite star icon.
- If the User faces any issue while using the sample submission form, he/she can directly report using the Report Issue icon beside the Help icon.

Special Instructions:

- Note: The account code/PO will not be charged until the form is complete and an invoice has been generated and approved.
- Once the form is ready, click on “Submit”. The form cannot be modified once submitted (only admins can modify).

## Request Form Status:

- After submitting the request form, a timeline will appear
- Depending on facility settings, some forms may undergo the quote process and others may skip this status
- Users can check on the current status by going to My Homepage → My Requests

## Quote approval:

- If a quote has been provided by the Facility Admin, Users or PI's can approve the charges. (depending on lab settings)
- A comment or a file can also be added to the status section of the form.

## Supplies

### How to submit a supply order:

**Note:** Supplies may only be available in selected facilities.

- Some facilities provide supplies that are essential for the instrument or analysis.
- Clicking on the “Supplies” tab on the user toolbar redirects to the page that displays the facility and the products available. Click on “Order Supplies” to order the supplies.

[SAVE AS DRAFT](#) [CREATE AN ORDER](#)

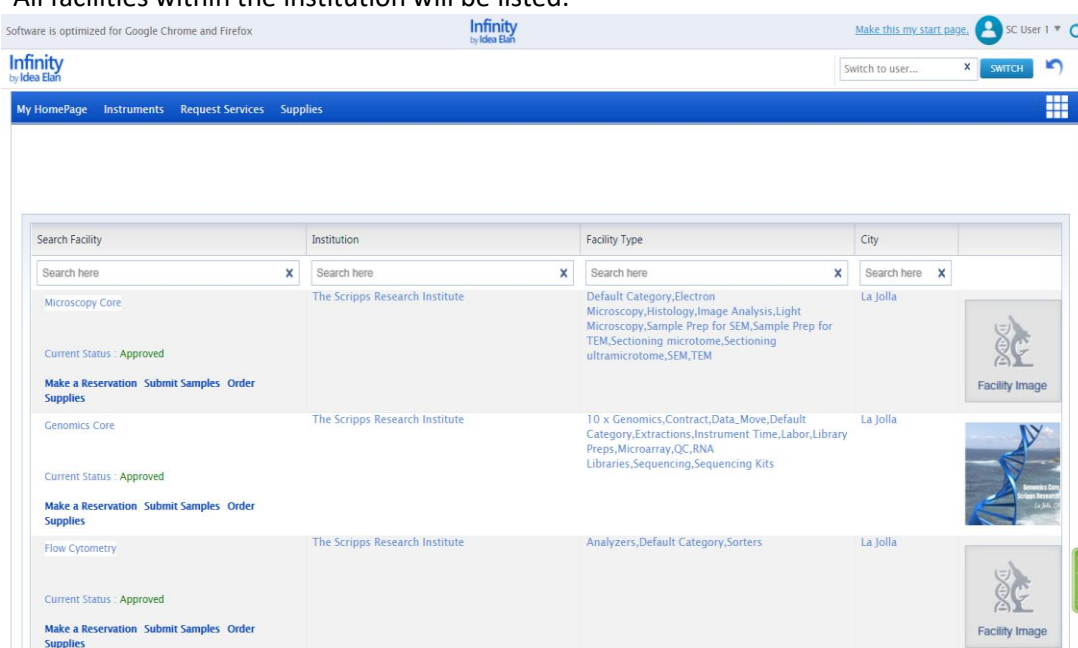

- Select the specific products by clicking on the check box near the item name. Then specify the quantity and click on “Create an Order”.
- The lab name and code need to be added while ordering supplies, or a default lab and Account Code can be set for a user.

## Access other Facilities

- To request access to other facilities, hover over the 9 square box and click on the blue DNA icon on the far right.

- All facilities within the institution will be listed.

- Click on “Request Access” to request access to the facility you want to use. Depending on the facility settings, a manual approval may be necessary.
- If the facility settings are set as auto-approve, then the request will be automatically approved.
