4th Annual Spring Conference

San Diego is one of the largest medical communities in the nation. This conference is held to provide a nexus between medical professionals and legal professionals who are interested in the emerging issues in health care law. Speakers representing both professions will present their ideas and perspectives on biomedical technological advancements, stem cell research and procedures, and how they are affected by local, state and federal and regulations.

Featured Speakers:

Duane J. Roth, CEO, CONNECT

Harris Brotman, Ph. D., J.D., Patent Counsel, Brotman Patent-IP Law & Strategy

Kevin A. Cahill, Business Counsel, The Scripps Research Institute

Dr. Suzanne E. Peterson, Director of Operations, The Center for Regenerative
